Minutes of the Majlis Shoora Election Committee (EC) Meeting
on Sunday, February 28, 2016

Members present:

Members absent:
N. Namaz

The following is the summary of what has been discussed and decisions reached.

1. The committee revised the issue of posting the list of registered voter at the mosque and on the IAENC web site. The pros and cons were presented and discussed. Accordingly, the committee decided not to post any such list.

2. The compiled list of names (of registered voters) will be kept only with brothers Maqsood and Said until the start of voting process. So, registrants can ask either one prior to voting days (PREFERABLY) and any Election Committee member during the voting days. If a person indicates that he or she has registered but their name does not appear on the list, the committee will accept a new Registration Form.

3. There will also be an effort (performed by Br. Ahmed and Br. Maqsood's assistant) to inform all registrants that their registration form has been received and processed by the EC. This effort will prevent or reduce the need for registrants to contact EC. Timeline for this effort will be determined by both brothers and hopefully will be completed before voting starts.

4. Once the nomination process ends on Friday (3/4), Br. Ahmed will generate a list of the qualified nominees for Majlis Shoora. This list will be posted only at the mosque.

5. The Majlis Shoora Ballot was discussed and a final format was approved.
Br. Ahmed will be responsible for typing it and Br. Maqsood will provide the necessary number of copies.

6. All qualified nominees will be invited to introduce themselves to the mosque community on Sunday (3/6) at the mosque between Maghrib and Isha prayers.

Reminder: Voting will be conducted <u>between Maghrib and Isha prayers</u> on Friday, Saturday, and Sunday (March 11, 12, and 13).

The meeting adjourned at 3:50 pm.

Respectfully submitted by

S. Said
