Agenda Item

- The Imam search committee met via phone conference about a prospective Imam. Brother Abdel-Rahman opened the meeting by asking Brother Moahad Dar to give us information regarding the prospective Imam. Brother Moahad explained that the potential Imam is an excellent candidate but would need to be sponsored and Brother Mohammad Shams explained to the committee important information about what the steps would be in order for us to move forward with this candidate. The committee would need to contact an immigration lawyer to see what the process and cost is for this potential candidate. Brother Moahad will contact an immigration lawyer on Monday June 20, 2022. Once the committee finds out the information from Brother Moahad then we can determine how to proceed In'Sha'Allah.

Meeting was adjourned at 8:32pm by Brother Shams with supplication.
